BLAIR-NTS-01

SECRET CRUSHES

We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd drink their bathwater, bear their children, or just that you have a secret crush on them.

I'm a tattoo kinda guy. Love gals with tats. That means I gotta love Sky Waters and her awesome tats. She's the type that can wear them and ,look good in them. Unafraid of others, just like me. Some girls may love jewelry, but Sky only cares about her tats. I'd really like to get into this cutie's slick pussy. I'd show up at her door loaded down with bouquets of only the finest flowers. Then I'd lay down a trail of long stemmed roses to her bedroom, and Sky would be ready to spread her lovely fleshy petals just for me.

But I don't assume that this gorgeous face, perfect ass, and outrageous set of boobs comes too easy. Just like her delicate tats, I'm sure Sky demands plenty of attention and nourishment from the hose that's hanging between my legs, and I can't wait to feed her with it. All she has to do is let me know that she's hungry.

— Percy K., Florida

If Natalli was new to America, and the Nordic beauty immediately demanded that we take her out to the shore, I'd get a car faster than a New York minute and drive her there. Why there? Cause it's my favorite spot on earth and I'd share that with her. I think she would be really eager to see what it was like to frolic in the Atlantic Ocean. This would be one suggestion I'd be happy to accommodate, since the sun and the breezes would soon have Natalli stripping her clothes off. We wouldn't even get up the stairs to the motel room before she began bearing her excellent ass and succulent pussy to me. By the time she was able to stretch out, she'd be anxious to show me just how wet she'd become by the pounding surf. She'd get us tempted to do a little pounding ourselves.

— Sammy, Ohio

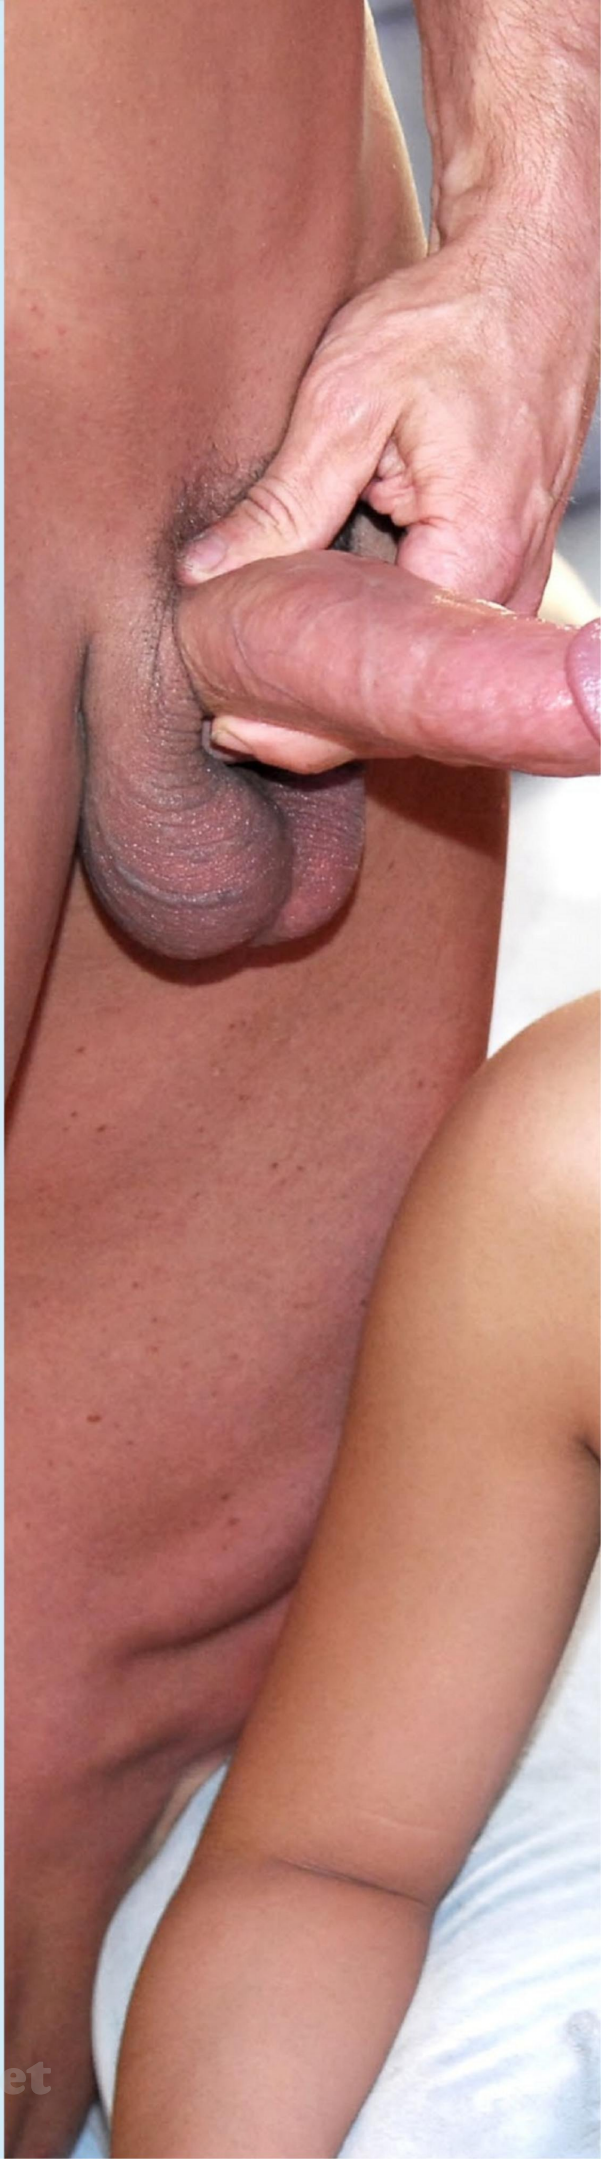
BLAIR-NTS-04



TODAY'S ~~HOMECOMING~~ HOMECUMMING QUEENS

They were sweet and innocent.
They reigned for barely a year.
Now they're trying to make it in porn.
Oh, how far they've cum.

Where are they now? They're here!

Through the years there have been thousands and thousands of homecoming queens. High schools have 'em. Colleges and universities have 'em, too. Some have courts. Some have homecoming kings. But almost all go on to live happy and fruitful lives. And we never hear of or from them again. But not these women. We know exactly where they are now.

I like it best with a big cock in my mouth.

I loved being the homecoming queen. It was the first time I had ever won anything like that. That was in college and I loved turning men into nervous wrecks, once I knew the power of pretty pussy. Now, I'm experiencing a whole new kind of sexual situation. I'm a born exhibitionist and I've always loved the idea of fucking in cars. I remember when I was only making out in them, but now I'm photographed in them, I'm making videos fucking in them, and I'm driving a nice one that I've purchased with my own money, I want you to know. It's a small red convertible and I like to strap in and ride along winding country roads with the wind in my hair, and I point one of the vents directly down at my steamy pussy. It's just like me... meant to be driven hard, fast and long.

My looks serve me well when I need something.

Some women say yes, others will say no to beauty contests. I like them. That's how I became homecoming princess and then my senior year, I became the queen. I remember wearing the tiara for a few days to classes, but that didn't go over too well. Today I have that crown in a display case at my mom's house. She was so proud of me then, but not so much now. I traded that headpiece for a dildo and lady lovers. There is little doubt that becoming a queen made me realize how I can manipulate my situation just by flashing a big smile, or now, my boobs and butt. No matter which way I go, I tell everyone, "That's how I roam!"

WorldMags.net

I can't wait to get my clothes off!

I was indeed the homecoming queen at my small state college. It would have all been better, though, if we had won the football game, but that was years ago, and I've left that behind. Now I like to dabble in fashion but today's fashions bore me. I have a closet full of clothes but don't quite feel right in any of them. I'm not happy with anything that I see in the department stores or boutiques. I usually walk around my apartment in panties and a man's dress shirt covering my fashionable boobs and classy pussy. By the end of the day, I've usually dropped both of them and dream of the kind of clothes that I would design if given an opportunity. But before I retire for the night, I finger-fuck myself into orgasmic heaven thinking about my own designer line.

My days are filled with work and my mouth with sex.

I always liked playing dress up, so when I won homecoming queen and got to wear a big frilly gown and sash across my chest, I was in queenie heaven. But today, all I need is a pair of ripped jeans to keep me and a guy interested. And that sash across my chest has been replaced by a splash of sperm. So instead of dressing up now, I dress down to nothing and get rewarded handsomely for it.

I remember the school rivalries best. We always won!

Yes, I was a cute homecoming queen back in the day. I remember practicing 'the wave' for hours after school to be ready for the big parade across town. But that's the past. Today I'm known for my blow jobs and anal scenes, both of which I do pretty well. I can't say being a homecoming queen helped much preparing me for that, but that was then and this is now.

WorldMags.net

No more punk princess for me, I'm a good girl now.

I'm a very good girl now although I wasn't a short while ago. I went to this really 'progressive' school and while we didn't have a homecoming queen in the traditional sense, I was voted most punked out perverted princess. Now I like to get all spruced up in my Sunday best, just so I can strip down later and flash everything in sight. That's what makes me so adorable. For starters, just look at my lovely legs, or maybe you'll like my luscious pair of gorgeously round tits? There's also the slightly sensual demeanor that always shines through my attempts to appear quiet and shy. In fact, I can even get through a photo shoot without having to make myself come. The thought of all those horny guys and girls watching my videos, or looking at my photos gets me a little too excited and I have to reach between my legs and bring myself to a screaming climax. Just like I'm going to do now. Cover your ears!

I never thought I'd be fucking girls, too!

It's not what you wear, it's how you wear it – or don't wear it. Looking back, I find that whole homecoming queen thing (yes, I was one) kinda amusing. It was exciting at the time. Just as having hot sex with incredibly fuckable men or women. I also never turn down an opportunity to lounge by the pool nude – as long as I can keep my shoes on. I like to get pumped, but I won't do it without my expensive designer pumps. I'll throw my best dress in the gutter for the sake of sex, but nothing gets my pussy dripping quicker than a pair of fine leather pumps covering my feet.

Pornstar Interview

Olivia Wilder

We just couldn't wait to get a few minutes to speak with one of our staffer's favorite models, Olivia Wilder. Admittedly, she's one of mine too. She's a vibrant, passionate performer whose infectious smile belies a quiet studious persona that willing to take direction and give it her best. Ah, but we're still waiting as she called to say she was in a traffic slow down on the 101 heading to Woodland Hills, CA. Take your time Olivia, you're worth the wait!

Pornstar Interview Olivia Wilder

Olivia arrives a half hour late, but as usual, things are running behind on the shoot. She sees the director and they talk for a second. One of the young PAs takes her bag and disappears down a hallway. She blows a kiss to the make-up girl and then she's pointed back in our direction.

Hi Olivia, nice to meet you finally. We hope your drive in wasn't bad.

Hi, so nice to meet you too. Yeah, I finally made it. Seems like I've been driving for days out there.

Olivia, we were curious to know what made you want to become a porn star, not just and actress?

I didn't start out to become a starlet. I just wanted to make a little more money so I could buy a better car. I was just out of college and my VW had served me well, but it was time for better. So, I decided to go to an adult store with this guy I knew as my escort and we started looking at the back of the DVD boxes to see who was making the best movies. A few weeks later I got up the balls to go visit a few and decided that way.

So, you interviewed them, not the other way around?

I guess you could say that. It was kinda scary at first, but by the third time, I was pretty confident in the type of production company I would be best suited for.

Are you always that methodical?

(laughs) I wouldn't call myself methodical, just concerned that I do the research before I give up this body to total strangers, even for an afternoon. And I wanted to see how much each was paying.

Well, since you brought it up, you do have a very nice body. Perfectly sized boobs and, if we may, a plump round ass that we bet drives people crazy.

I've been told that it's been the fo-

WorldMags.net

Pornstar Interview Olivia Wilder

cus of attention before. Over the few years of doing porn, It's seen it's share of tongues and cocks... and toys.

In this day of enhanced, busty chests, why have you decided to stay natural?

Oh for me it wasn't a difficult decision It was one I made well before getting into the business. I had a few opportunities to get bigger, even had someone willing to pay for it, but it's just not me. I wasn't planning a career in this biz, although it may seem like one. Plus, I didn't think they fit my personality. For whatever reasons, I didn't think of myself as a busty girl, so there was no reason for them to be bigger.

Do you really like sex, or just do it for the cameras?

I'd be lying if I said I loved it all the time. There are days when I go through the motions, but that's when being an 'actress' comes into play. I believe you can give a great scene without really having your head into it. I've done this enough by now that I know the reality of the situations.

We know that you have a fanatical fan following. Why?

I know, right! What I mean is... I don't know. Some of my college friends started getting crazy on my social media and it blew up from there. Knowing I was pretty reserved, they would upload photos of me with these wild captions saying sassy things about me. It's all in the name of fun and I understand that. Just not how it's become so big and I get so many 'likes.' My favorite..... Sorry guys, I gotta go now! Byeee!
